All kids meet upstairs for large group activities at 10:30.

God's GR8 Explorers is for kids 4 years old through first grade.

Downstairs, Education Wing

We'll learn Bible lessons that teach us about Joseph and his coat of many colors, learn about Jesus' power and how to be thankful for the great world God gave us! We'll enjoy worshipping in a new way, having snacks, and making crafts. This is an exciting time to be a GR8 explorer for God!

Amazing Journey: From Genesis to Revelation is for kids in second through fifth grade.

Upstairs, Education Wing

From God's creation through His plans for you to join Him in Heaven, we will go on an amazing journey! We'll travel through the Bible while we do object lessons, relays, have snacks, and do memory verse challenges. At 11:00 small group leaders will take us to a different location in our Bibles every week. It will be amazing to learn what God has planned for us while on this amazing journey!

First Place 4 Health

Sheryl Vander Linden

This class is a continuation of the group that was meeting last year. First Place 4 Health is the most complete Christ-centered healthy living program used successfully by more than half a million people. We will kick-off the fall season with another 12 week Bible Study, *The Power of Hope*. When struggling with the inevitable ups and downs of weight loss and control, it's easy to lose hope. Life seems to seesaw between victory and defeat, and even short-term failures can lead to feelings of shame, disgrace and despair. Yet hope is a bedrock of Christian faith, and God intends for His children to stand firm, trusting and confident in the future He has planned. *The Power of Hope* will help participants continue moving toward their goals and help them find energy and motivation to face daily challenges without losing faith. If you have not already talked to Sheryl Vander Linden about this class, please let her know ASAP so she can order your book.

Going Deeper

Pastor Roger Grandia

This group will explore the sermon topic/passage of the morning in further detail. This will be a great opportunity to ask questions and even challenge what was presented in the message, and also find out what Pastor Roger did not have time to share, but would have liked to. He also will be delving into some of the challenges of living out our faith in the 21st century. Come when you can!

Heaven

Mary Lynne Beyer

If you've always thought of Heaven as a realm of disembodied spirits, clouds, and eternal harp strumming, you're in for a surprise! Randy Alcorn's *Heaven* opens your eyes to the wonder and beauty of eternity, introducing you to Heaven as Scripture describes it. Those in the group last year found so much to discuss, we plan to continue this year! Whether you attended last year or not, please join us if this topic interests you! This fall, we will be seeking the Bible's answers to the questions:

- Will we eat and drink on the New Earth?
- Will there be marriage, families and friendships in Heaven?
- Will animals, including our pets, live again?
- Will Heaven ever be boring?
- Will there be arts, entertainment, and sports?
- Will our dreams be fulfilled and missed opportunities regained?

If you've ever wondered about Heaven or tried to imagine what it might be like, this study is for YOU!
